ABOUT COLLEGE AND ORGANIZATION

Jai Mahakali Shikshan Sanstha (JMSS)

Jai Mahakali Shikshan Sanstha (JMSS), established in 1985, has emerged as one of the largest groups of educational institutions in Vidarbha region. As a result of benevolence, dedication and untiring efforts of the chairman JMSS, hon'ble Pt. Shri Shankar Prasad Agnihotri, the group has a stupendous growth of more than twenty institutions. It includes schools for tribal and rural children with free lodging & boarding facility and education from pre-primary to doctoral research in various disciplines. As a part of diversification, the society has established colleges for conducting professional courses viz. Pharmacy, Engineering, Management etc. With lush green lawns and academic ambience, the premises are best suited for curricular, co-curricular and extracurricular development of students. Guided by majority of teaching faculty pursuing doctoral research, the students are well prepared for challenges after their graduation. A high record of campus placement adds to our credentials.

Agnihotri College of Pharmacy (ACP)

Vision

To become a creative educational center where innovations become a tool so as to build a budding Pharmacist.

Mission

To provide a comprehensive and progressive education that prepares pharmacists to assume an active role in providing skilled, ethical and compassionate patient care that improves the health and quality of life.

About College

The college was established in the year 2001 with an objective to nurture

the pharmacy education and to support the healthcare system through skilled Pharmacy graduates. Our aim is to enhance the quality education in the field of Pharmacy and empower the quality pharmacist so that they serve the society to develop lifesaving drugs.

The college offers **D.Pharm.** (*Two Years Diploma course in Pharmacy*), **B.Pharm** (*Four years Degree course in Pharmacy*), **M.Pharm** (*Two years PG program*) specialization in Pharmaceutics, Pharmacology & Quality Assurance. All courses are affiliated to RTM Nagpur University, Nagpur. & Maharashtra State Board of Technical Education, Mumbai. The college is approved by Pharmacy Council of India (PCI), New Delhi and Recognized by Directorate of Technical Education, Mumbai & Maharashtra State Government. We help our youngsters enthusiastically to train themselves to become a part of the “Marching Forces” of India to its goal of prosperity for all. Several of our Students and faculty members have been inspired by our environment and have gone on for higher studies in India and abroad.

Training & Placement Cell prepares and equips the students to face the corporate world and its culture. All our passed out students are placed at different levels in Pharma field. We have a track record of cent percent placement to all the deserving candidates.

The college has highly experienced and research-oriented faculty, finest infrastructure, modernized laboratories, contemporary instruments, voluminous library, residential hostels, transportation facility along with green & environment friendly campus. The college provides appropriate attention to the teaching learning processes and its evaluation, for appropriate propagation of knowledge and skill. Overall, faculties have published Research publications in National & International journals with high cumulative impact factor and citation index. We have therefore become one of the most reputed institutes in central India. As we grow, we expand into new technologies, methodologies, disciplines, resources and even attitudes.

Tel No. 022-22793171 Email ID: vishi3-hted@mah.gov.in
No. MISC-2022/C.R.-220/UE-3 Date: 30 November, 2022

To,
Vice Chancellor,
All State Public Non-Agriculture Universities/ Self finance Universities/
Cluster Universities/ Deemed Universities, Maharashtra State.

Sub: Campaign for Registration of Students, Institutions and Universities on ABC Portal from 1st December to 15th December 2022

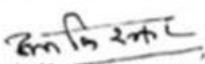

Dear Sir/Madam,

As you are aware, the Academic Bank of Credits (ABC) Platform with the facility of opening Academic Account by the Students and on-boarding of Higher Educational institutions (HEIs) has been developed by the National e-Governance Division of Ministry of Electronics and Information Technology under DigiLocker Framework. The ABC portal is an initiative introduced in the National Education Policy (NEP 2020). The initiative aims to make the framework of the curriculum more flexible and promote interdisciplinary/multidisciplinary academic mobility across the HEIs in India.

In line with NEP-2020, State has also recognized ABC as a foundation for implementation of multi-disciplinary Education, enabling an eco-system for students which offers more flexible career choices. However, it has been observed that there is low registration on the ABC portal.

In order to Enhance the reach of the ABC program, you are requested to launch a campaign from 1st December to 15th December 2022 for 100% of registration of students, affiliated Higher Educational institutions (HEIs), and Universities on the ABC portal. Kindly, submit the Action Taken Report (with no. of students registered, affiliated Institutions registered on ABC portal) to Department by 16th December 2022.

Looking forward to an effective campaign with 100% achievement of the action point of ABC registration under NEP-2020. In case of any query or clarification you may contact Mr. Shakti Chauhan (9892300174).

Yours sincerely,

(Ajit M. Bawiskar)
